AND WELCOME TO HITCH STUDIO!

FIRST OF ALL, CONGRATULATIONS! YOU'RE ENGAGED!

Welcome to Hitch Studio. We hope you love the ways we can help your wedding day be less stressful and more enjoyable. Completing this guide will give us a great starting point when we meet. We can't wait to hear all the details of your wedding!

HOW TO USE THIS GUIDE:

So, you're interested in having Hitch help with your wedding day — from decorating your reception to full wedding coordinating, we're only as involved as you want us to be. If your mom has some decorations already, GREAT! If your aunts want to bring the cream cheese mints to be set out, WONDERFUL! If you're worried who will take down your dance floor at the end of a really fun night, NO WORRIES. We have you covered!

Step 1 Look over the levels of wedding styling services from pages 4-5.
We'll help define these better at your first meeting with Hitch Studio!

Step 2 Fill out the starter worksheet on page 6 and bring it to your first appointment — along with the list of items on page 3!

Step 3 Browse our wedding decorations on page 7 to get a feel for the decor that fits your style! You can use anything we have in our inventory for FREE!
Better yet, see our full collection at: hitchstudio.com/decor-collection

Step 4 Make your appointment to meet with Hitch Studio.
Call 605-592-9072 or email info@hitchstudio.com for a complimentary meeting!

Step 5 Do you also need wedding invitations, save the dates or programs? We can make sure everything with your wedding coordinates perfectly — from the centerpieces to the stationery. We also offer a complete wedding planning checklist and guide book, called the Wedding Day Designer. You can purchase one in our meeting!
